

Barbie® BEAUTY CENTER™

INSTRUCTIONS

HOW TO REMOVE BARBIE'S HEAD

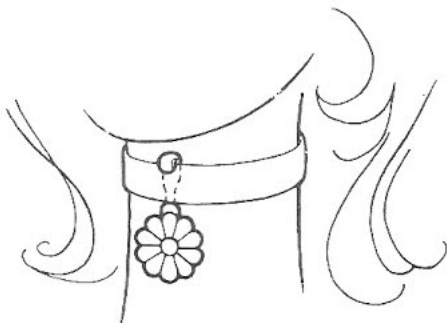

Turn head far to the right or left side and lift head off.

1

Cut pieces from plastic frame. You may need help from your mother.

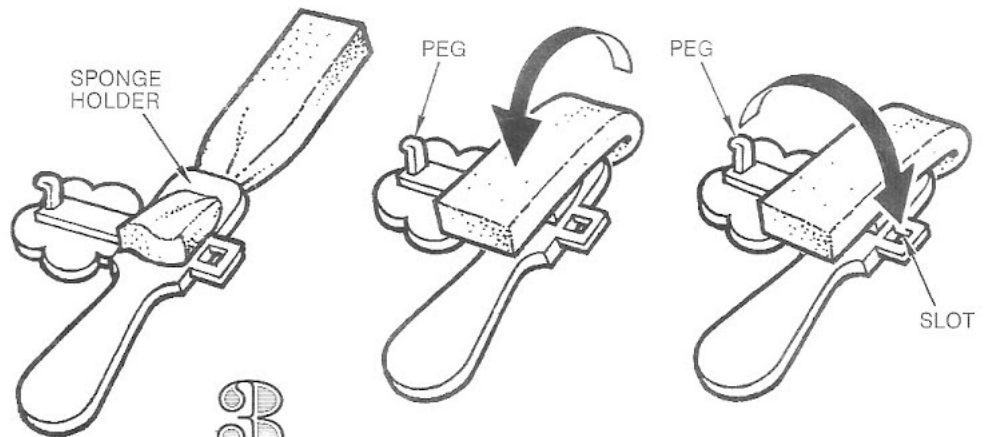

PUT ON BARBIE'S® CHOKER

2

Put choker ribbon around neck and snap in back. Hang flower on choker at front of neck.

PUT TOGETHER THE COSMETIC SPONGES

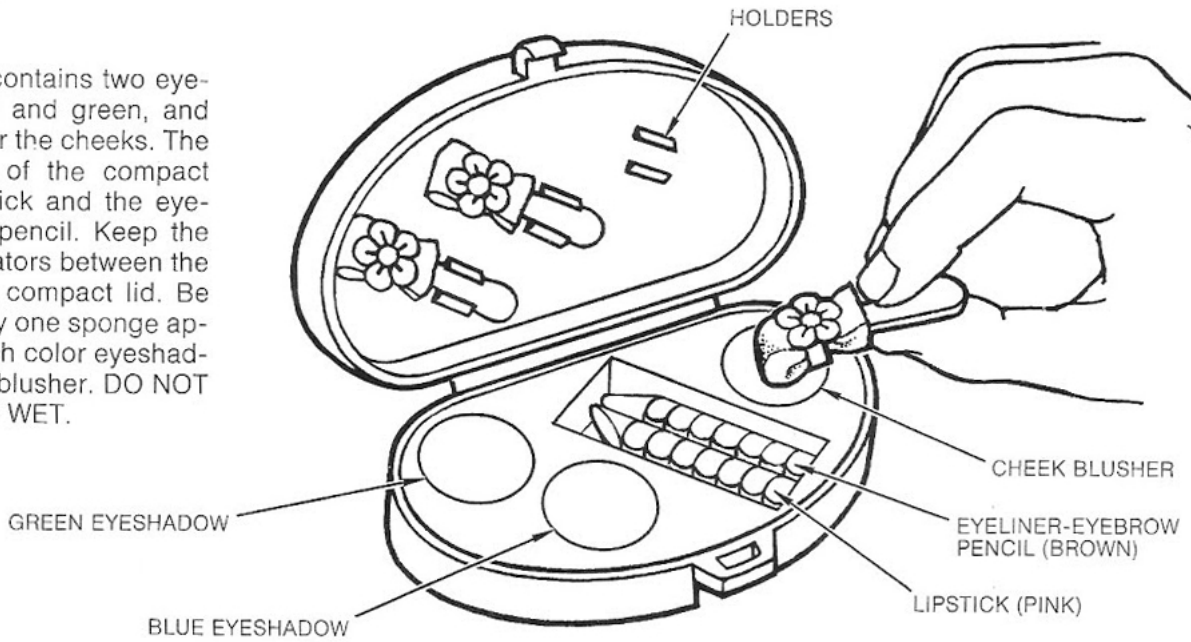

3

Slip one end of sponge into sponge holder as shown. Fold other part of sponge over holder and hold down with finger. Bring peg over the top of sponge and snap into slot at side.

THE COMPACT

The compact contains two eyeshadows, blue and green, and pink blusher for the cheeks. The indented part of the compact holds the lipstick and the eyeliner-eyebrow pencil. Keep the sponge applicators between the holders in the compact lid. Be sure to use only one sponge applicator for each color eyeshadow and cheek blusher. **DO NOT GET MAKE-UP WET.**

HOW TO APPLY COSMETICS

NOTE: Use hard end of sponge applicator to loosen eyeshadow and blusher before use.

1 EYESHADOW

Scratch with applicator as shown, then brush sponge applicator over either blue or green eyeshadow. With small strokes, smooth over all of eyelid. Put on more color to darken.

2 LIPSTICK

Put on lipstick with pink lipstick crayon. Follow shape of lips and fill in with color.

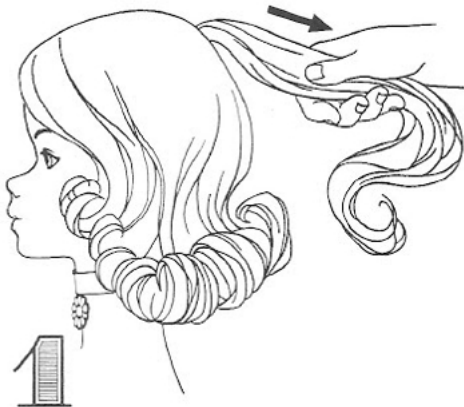

NOTE: Do not get make-up wet!

3 EYELINER

Use brown crayon. Starting at inside corner of eye, follow shape of eye, draw a line to edge of lid.

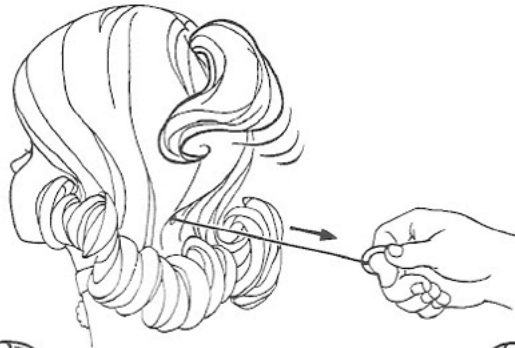

HOW TO MAKE PONYTAIL LONG OR SHORT

1

To make ponytail long, pull out GENTLY as shown.

2

To shorten ponytail, pull ring out at back of head.

3

If ponytail ring COMES OUT OF HEAD, squeeze sides of hole and push ponytail ring back into head.

HOW TO BRAID PONYTAIL

1

Make ponytail long. Separate ponytail into 3 pieces.

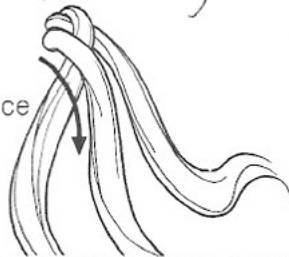

2

To braid: Fold RIGHT piece of hair into the middle as shown.

3

Then fold LEFT piece of hair into the middle.

4

Continue to braid as in Steps 2 and 3 until all of hair is braided. Wrap end with rubberband.

TO MAKE A SPECIAL BRAID:

Use bobby pin to attach end of ribbon to head BELOW ponytail. Comb ponytail into 2 parts. Use ribbon as 3rd piece of hair. Braid hair and ribbon together.

PUT BARRETTE AROUND HAIR. FIT STEM THROUGH SLOT.

STEM

SLOT

HAIR STYLE A

Make ponytail long and braid it as shown above. Fold bottom end of braid up to top to form loop. Hold end with bobby pin. Fit large barrette around top of braid loop high on back of head. Put 1 small barrette over each ear. Attach in same way as large barrette.

HAIR STYLE B

To make 2 braids out of ponytail: Make ponytail long as shown above. Divide hair in half. Use 1 half to make 1 braid and other half to make 2nd braid. Wrap braid ends with rubberbands. Bring ends of braids up to middle to form 1 loop on each side of head. Hold ends with bobby pins. Put large barrette over ends to hide them.

HAIR STYLE C

This is how Hair style C should look when completed.

1

Make 2 braids as in B. Pull both braids over top of head. Hold braids to head with bobby pin where shown.

2

Put barrette around braids so it stands up, FACING FRONT as shown.

3

Bring ends of braids up to middle. Hide ends under braid and hold with bobby pin.

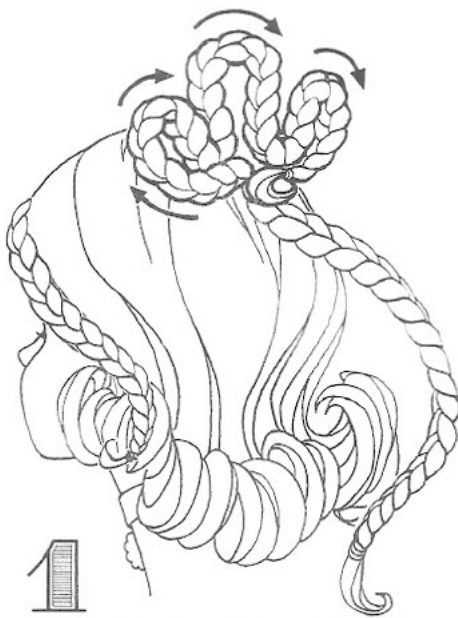

HAIR STYLE D

Make 2 braids as in B. Put large barrette around top of braids. Take a 1 inch piece of hair on each side of head. Braid each piece. Pull braids back and hold to side of head with bobby pin.

HAIR STYLE E

MAKE SIDE BRAIDS AS IN D

1

Make 2 side braids as in D and 2 ponytail braids as in B. Make 3 loops at top of head with 1 of the braids. Hold each loop to head by putting a bobby pin BETWEEN each loop.

2

Wrap 2nd braid around bottom of 3 loops. Hold end with bobby pin.

Continued on next page.

HAIR STYLE E (continued)

3

Bring ends of each side braid to top of head and hide ends under wrapped braid. Hold ends with bobby pins.

HAIR STYLE F

Part all hair in the middle (except ponytail). Comb hair into ponytails over each ear. Wrap with rubberbands. Tie ribbon in a bow over rubberband. Shorten ponytail as on pg. 3. Curve ponytail around to form a bun. Hold ends with bobby pins.

HAIR STYLE G

1

Make ponytail short as on pg. 3. Take a piece of hair on each side of face. Separate it from rest of hair with bobby pin.

2

Part rest of hair — except ponytail — in the middle. Brush hair UP into 2 high ponytails near top of head. Wrap with rubberbands. Tie bows around ponytails.

3

Take front pieces of hair and comb them flat against side of head. Hold ends with bobby pins. Curve back ponytail around to form a bun (See F). Hold end with bobby pin.

HAIR STYLE H

1

Separate a piece of hair at each side of face. Tie bow high up around each piece. Comb these 2 small ponytails so that they curl around face.

2

Make ponytail long and braid it as on pg. 3. Coil braid around at top of head. Hold end with bobby pin. Comb rest of hair loose at back.

HAIR STYLE I

1

Take a piece of hair on each side of face. Separate it from rest of hair with bobby pin. Make ponytail long and braid it as on pg. 3.

2

Brush hair — above where ponytail comes out — into 2 high ponytails. Wrap with rubberbands.

3

Wrap braid around both ponytails. Hold braid end with bobby pin. Remove bobby pins holding hair around face. Brush this hair into rest of hair.

HAIR STYLE J

Take a piece of hair at each side of face. Separate it from rest of hair with bobby pin. Make ponytail long and braid it as on pg. 3. Comb all hair EXCEPT ponytail up to top of head. Hold with rubberband or bobby pins — whichever is easier. Wrap braid around hair and hold end with bobby pin. Comb side pieces of hair around face and hold them with 1 small barrette over each ear.

HAIR STYLE K

HOW TO SET HAIR

NOTE: Run DAMP COMB through hair. DO NOT WET HAIR COMPLETELY. Be sure to let hair dry COMPLETELY before brushing out.

1

To set hair: Take a small piece of hair at each side of face. Run damp comb through hair. Hold end of hair over roller. Roll hair smoothly under and around roller. Use bobby pin to hold roller in hair. Let hair dry completely.

2

When hair is dry, remove rollers gently. Comb hair into loose curls at side of face. Brush rest of side hair back and hold with a small barrette on either side of the head.

HAIR STYLE L

Remove barrettes. Make ponytail long as on pg. 3. Part hair in middle BELOW ponytail. Make ponytails over each ear, either high or low on head. Wrap with rubberbands. Tie ribbons over rubberbands. Let long ponytail hang down softly.

HAIR STYLE M

HOW TO SET PONYTAIL.

1

Make ponytail long as on pg. 3. Run wet comb through ponytail. Comb ponytail into 3 pieces. Roll each piece under and around a roller. Hold roller to head with bobby pin. Let hair dry.

2

Comb pieces of hair around face into soft curls. Leave rollers in place. Brush REST of hair up to top of head and hold in place with bobby pins or rubberband. Comb this hair into curls.

3

Take bobby pin out and gently remove roller. Do not pull on hair. Comb ponytail into 3 ringlets as shown.

HAIR STYLE N

Leave all hair, except ponytail, on top of head. Bring all 3 curls — combed into separate ringlets — over ear on either right or left side of head. Fit large barrette around hair and curls to hold curls over the ear.

HAIR STYLE O

Remove large barrette. Divide each large curl in half to make 6 ringlet curls. Put 3 curls up high over each ear. Use small barrette to hold curls in place over ear.
